The Blue Ribbon name and symbol are used to show support of child abuse prevention. When the Blue Ribbon Celebration started 29 years ago, Safe & Sound chose the name as a way to honor a future free from child abuse, neglect and trauma.

Since 1973, with generous partners and donors, we have helped strengthen families and build community. Starting as the San Francisco Child Abuse Center and now a statewide leader in prevention and family wellness, we are proud of our work for and with children and families.

**Let's shape the next 50 years of safe children
